

DONATION POLICY

Liberty Vineyards & Winery is active in our local community and committed to supporting a number of charitable activities. Each year we donate wine, gift cards, gift baskets and time to a number of local and charitable organizations

Due to the high volume of donation requests received (usually at least 1 request per day), we are unable to make large donations to every organization (we wish we could as almost all of the requests we receive are for worthy causes). ***To maximize our charitable efforts, we are able to offer wine tasting or private tour and wine tasting certificates for a variety of non-profit charitable organizations, but our larger donations are reserved for a number of charities with whom we have a long-standing relationship or those that are especially close to our hearts and those of our employees, family and friends.*** We proudly support a number of organizations including: Sheridan Volunteer Fire Department, the Child Advocacy Program, The Resource Center Foundation and the National Multiple Sclerosis Society.

We are especially proud to support the Facial Pain Research Foundation (FPRF), an organization dedicated to finding a cure for Trigeminal Neuralgia and other neuropathic pain conditions. Trigeminal Neuralgia is an extremely painful condition affecting the Trigeminal Nerve, which carries sensations from the face to the brain. Trigeminal Neuralgia is considered one of the most painful conditions known to mankind and causes severe, electric-shock-like pain in the face, which is triggered by everyday tasks like washing your face, talking, chewing, drinking, brushing your teeth, applying makeup, and more. Even a light breeze can cause patients to feel lightning-like bolts of pain in their face. Our daughter, Beth, the marketing manager here at the winery, developed this condition in 2003, and is still in pain after three brain surgeries and numerous other treatments. Research for a cure is something very near and dear to our hearts, and therefore much of our charitable activities are focused on the FPRF.

If you are interested in securing a donation for your organization, please fill out the Donation Request Form on the reverse. Please also submit a donation request letter on your organization's official letterhead. Submitting a donation request form does not guarantee a donation. Liberty Vineyards & Winery is not able to donate cash and can not deliver donated items. Donated items must be picked up at the winery during normal business hours.

Thanks for your interest in Liberty Vineyards. We wish you all the best with your charitable activities.

Sincerely,

Gary and Pam Burmaster
Liberty Vineyards & Winery
